Guests: too many to list, was well supported along with the volunteers from the Carp-a-rama.

Guest Speaker – Des Schliebs, Treasurer Loton Rotary

Des enlightened us with the trials and tribulations of the Heaven project that has been several years in the making and is now finished. The weather was kind to us with 25° and light winds, so was perfect to see the sun go down across that magnificent vista! There was a simple BBQ of marinated chicken and sausages, and leftover Nangari burgers from the Show with members bringing a salad or a sweet slice to share. We got to christen the shelters, tables and bench seats that Rotary proudly worked with Council to be a reality. Everybody enjoyed each other's company, informal chatter of the weekend's activities, and a beverage around the fire pit that Tom Shannon provided.
